I understand that participation in Trail life activities involves the risk of potential personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. I have had the opportunity to obtain such information about those activities from the Troop leadership, venue, activity coordinators, or other sources. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct, and have explained that to my child.

In case of an emergency involving my child, I understand that efforts will be made to contact me. In the event I cannot be reached, permission is hereby given to the medical provider to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child. Medical providers are authorized to disclose protected health information to the adult in charge and/ or any physician or health care provider involved in providing medical care to the participant. With appreciation of the dangers and risks associated with programs and activities including preparations for and transportation to and from the activity, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims against Trail Life USA, the Charter Organization, the Troop leadership, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with Trail Life USA and/or any program or activity for personal injury, death, or loss that may arise.
